This ride is also a fundraiser for the Susan G. Komen for the Cure Foundation. Ask your friends, family, and co-workers to sponsor you (forms and other information available at: <http://www.endureforthecure.org>). We challenge you to raise at least \$100 and bring it to the ride. You don't have to make a donation to come and enjoy the ride, but for those riders that raise the most money we will be giving away great prizes from the DISTANCE DEPOT, GENIE STEWART-SPEARS and

Kristi Kesick of *Native Spirit Saddlery* will again donate a custom made saddle to the person who raises the most money!!!

This is the second leg of the AHDRA Triple Crown Award! *Trailer Eyes* has donated their fabulous wireless trailer monitoring system to the horse/rider team that earns the most points competing in all three AHDRA rides. Horses may be any breed and riders need not be an AHDRA member to compete. See the AHDRA website (<http://www.ahdra1.com>) for further information.

The main dish for Saturday night dinner will provided by ride management.
Please bring a dish to pass.
